

The Clinton Foundation et al. CORRUPTION

Editor's Note: The following information is riveting. It details how corrupt officials in very high places in our government have colluded to mislead, deceive, and break the laws of the land. They have brought shame to the offices they have held and hopefully they will be prosecuted for their misdeeds.

Submitted by lonestarbeiever PATRIOTS UNITE.

"I am passing this on from someone who's connecting some dots with input from sources he cannot reveal.

Here's what it looks like when all the pieces are sewn together. It smells like conspiracy and treason. Everyone needs to read this. Slowly, and patiently, because it's **very important...**

From 2001 to 2005 there was an ongoing investigation into the **Clinton Foundation**. A Grand Jury had been impaneled.

Governments from around the world had donated to the "Charity." Yet, from 2001 to 2003 none of those "Donations" to the **Clinton Foundation** were declared. Now you would think that an honest investigator would be able to figure this out.

Look who took over this investigation in 2005 – none other than **James Comey**. **Coincidence?** Guess who was transferred into the Internal Revenue Service to run the Tax Exemption Branch of the IRS? None other than, **Lois "Be on The Look Out" (BOLO) Lerner**. **Isn't that interesting?**

But this is all just a series of strange coincidences, **right?**

Guess who ran the Tax Division inside the Department of Injustice from 2001 to 2005?

None other than the Assistant Attorney General of the United States, **Rod Rosenstein**.

Guess who was the Director of the Federal Bureau of Investigation during this time frame?

Another coincidence (just an anomaly in statistics and chances), but it was **Robert Mueller**.

What do all four casting characters have in common? **They all were briefed and/or were front-line investigators** into the **Clinton Foundation** Investigation.

Another coincidence, right? Fast forward to 2009...

James Comey leaves the Justice Department to go and cash-in at **Lockheed Martin**.

Hillary Clinton is running the State Department, official government business, on her own personal email server. The **Uranium One "issue"** comes to the attention of the **Hillary**.

Like all good public servants do, supposedly looking out for America's best interest, she decides to support the decision and approve the sale of 20% of US Uranium to no other than, the Russians.

Now you would think that this is a fairly straight up deal, except it wasn't, **America got absolutely nothing out of it**. However, prior to the sales approval, no other than **Bill Clinton** goes to Moscow, gets paid 500K for a one-hour speech; then meets with **Vladimir Putin** at his home for a few hours

Ok, no big deal right? Well, not so fast, the FBI had a mole inside the money laundering and bribery scheme.

Robert Mueller was the FBI Director during this time frame? Yep, He even delivered a Uranium Sample to Moscow in 2009.

Who was handling that case within the Justice Department out of the US Attorney's Office in Maryland?

None other than Rod Rosenstein. And what happened to the informant? The Department of Justice placed a GAG order on him and threatened to lock him up if he spoke out about it.

How does 20% of the most strategic asset of the United States of America end up in Russian hands when the FBI has an informant, a mole providing inside information to the FBI on the criminal enterprise? Very soon after; the sale was approved! 145 million dollars in "donations" made their way into the **Clinton Foundation** from entities directly connected to the **Uranium One** deal.

Guess who was still at the Internal Revenue Service working the Charitable Division? None other than **Lois Lerner**.

Ok, that's all just another series of coincidences, **nothing to see here, right?** Let's fast forward to 2015.

Due to a series of tragic events in Benghazi and after the 9 "investigations" the House, Senate and at State Department, **Trey Gowdy** who was running the 10th investigation as Chairman of the Select Committee on Benghazi discovers that the **Hillary** ran the State Department on an **unclassified, unauthorized, outlaw personal email server**. He also discovered that none of those emails had been turned over when she departed her "Public Service" as Secretary of State which was required by law. He also discovered that there was Top Secret information contained within her personally archived email.

Sparing you the State Departments cover up, the nostrums they floated, the delay tactics that were

employed and the outright lies that were spewed forth from the necks of the *Kerry State Department*, we shall leave it with this... they did everything humanly possible to cover for *Hillary*.

Now this is amazing, guess who became FBI Director in 2013? **None other than James Comey**; who secured 17 no bid contracts for his employer (*Lockheed Martin*) with the State Department and was rewarded with a six million dollar thank you present when he departed his employer? **Amazing how all those no-bids just went right through at State, huh?**

Now he is the FBI Director in charge of the "*Clinton Email Investigation*" after of course his FBI Investigates the *Lois Lerner "Matter"* at the Internal Revenue Service and **he exonerates her**. Nope...couldn't find any crimes there.

In April 2016, *James Comey* drafts an exoneration letter of *Hillary Rodham Clinton*, meanwhile the DOJ is handing out immunity deals like candy. **They didn't even convene a Grand Jury!**

Like a lightning bolt of statistical impossibility, like a miracle from God himself, like the true "Gangsta" *Comey* is, *James* steps out into the cameras of an awaiting press conference on July the 8th of 2016, and exonerates the *Hillary* from any wrongdoing.

Do you see the pattern?

It goes on and on –*Rosenstein* becomes Asst. Attorney General, *Comey* gets fired based upon a letter by *Rosenstein*, *Comey* leaks government information to the press, *Mueller* is assigned to the Russian Investigation sham by *Rosenstein* to provide cover for decades of malfeasance within the FBI and DOJ and the story continues.

FISA Abuse, political espionage...pick a crime, any crime, chances are...this group and a few

others did it:

- **All** the same players.
- **All** compromised and conflicted.
- **All** working fervently to **NOT** go to jail themselves.
- **All** connected in one way or another to the *Clinton's*.

They are like battery acid; they corrode and corrupt everything they touch. **How many lives have these two destroyed?**

As of this writing, the *Clinton Foundation*, in its 20+ years of operation of being the largest International Charity Fraud in the history of mankind, **has never been audited by the Internal Revenue Service.**

Let us not forget that *Comey's* brother works for *DLA Piper*, the law firm that does the *Clinton Foundation's* taxes.

The person that is the common denominator to all the crimes above and still doing her evil escape legal maneuvers at the top of the 3 Letter USA Agencies? Yep, that would be *Hillary R. Clinton*.

Now who is *Lisa Barsoomian*? Let's learn a little about Mrs. *Lisa H. Barsoomian's* background.

Lisa H. Barsoomian, an Attorney that graduated from Georgetown Law, is a protégé of *James Comey* and *Robert Mueller*.

Barsoomian, with her boss *R. Craig Lawrence*, represented *Bill Clinton* in 1998.

Lawrence also represented: *Robert Mueller* **three** times; *James Comey* **five** times; *Barack Obama* **45** times; *Kathleen Sebelius* **56** times; *Bill Clinton* **40** times; and *Hillary Clinton* **17** times.

Between 1998 and 2017, *Barsoomian* herself represented the FBI at least **5** times. You may be saying to yourself, OK, **who cares?** Who cares about the work history of this *Barsoomian* woman?

Apparently, someone does, because someone out there cares so much that they've "**purged**" all *Bar-*

soomian court documents for her *Clinton* representation in *Hamburg vs. Clinton* in 1998 and its appeal in 1999 from the DC District and Appeals Court dockets (?).

Someone out there cares so much that even the internet has been "**purged**" of all information pertaining to *Barsoomian*.

Historically, this indicates that the individual is a protected CIA operative. Additionally, *Lisa Barsoomian* has specialized in opposing Freedom of Information Act requests on behalf of the intelligence community. Although *Barsoomian* has been involved in hundreds of cases representing the DC Office of the US Attorney, her email address is *Lisa Barsoomian at NIH.gov*.

The NIH stands for National Institutes of Health. This is a tactic routinely used by the CIA to protect an operative by using another government organization to shield their activities.

It's a cover, so big deal right?

What does one more attorney with ties to the US intelligence community really matter?

It deals with *Trump* and his recent tariffs on Chinese steel and aluminum imports, the border wall, DACA, everything coming out of California, the Uni-party unrelenting opposition to *President Trump*, the *Clapper* leaks, the *Comey* leaks, Attorney General *Jeff Sessions* recusal and subsequent 14 month nap with occasional forays into the marijuana legalization mix...and last but not least *Mueller's* never-ending investigation into collusion between the *Trump* team and-the Russians.

Why does *Barsoomian*, CIA operative, merit any mention? BECAUSE...she is Assistant Attorney General *Rod Rosenstein's* WIFE!!!

Editor's note: Republicans need to be outraged and demand that Congress open investigations to bring charges against the above mentioned criminals who have hide behind the safety of their federal jobs.
