

Trump's Two Years of Accomplishments

Issued on: January 20, 2019
by the White House
partial list

Rolling Back Red Tape

- In 2017, 22 regulations were eliminated for every new one.
- The U.S. withdrew from the Paris Climate Agreement that would have harmed America's economy and cost American workers millions of jobs.

Combating the Opioid Crisis

- Secured a record \$6 billion to fight the opioid epidemic and provided more than \$2 billion in grants in 2018 to help States, territories, tribes, and local communities to prevent and treat opioid abuse.
- DOJ formed a Joint Criminal Opioid Darknet Enforcement team and shut down the biggest Darknet distributor of drugs arresting more than 120 defendants with opioid-related crimes.
- Launched a Safer Prescribing Plan to cut nationwide opioid prescription fills by 1/3 within three years.

Sanctity of Life & Religious Liberty

- Reinstated and expanded the Mexico City Policy.
- Defunded a United Nations (UN) agency for colluding with China's brutal program of forced abortion and sterilization.
- Withdrew guidance that constrained State's ability to exclude family-planning providers that provide abortion services through the Medicaid program.
- Proposed new regulations to ensure Title X family-planning funding **does not go to projects that perform, support, or refer patients for abortion.**
- Issued regulations establishing new or expanded exemptions from the Obamacare contraceptive mandate based on religious beliefs or moral convictions.
- Issued an executive order to promote free speech and religious liberty.

Enforcing our Laws & Securing our Borders

- Released an immigration framework to fix broken immigration system through merit-based reform and provide resources to secure our border that includes **closing the legal loopholes that enable illegal immigration, ending chain migration, and eliminating the visa lottery.**
- Deployed the military to assist in securing the southern border.
- DOJ prosecuted a record number of criminal immigration offenses in 2018, **increasing the number of prosecutions for illegal entry by 84% over 2017.**

Rebuilding US Military Force

- Signed legislation providing \$700 billion for defense in 2018 and \$716 billion in 2019.
- **Secured the largest military pay raise in nearly a decade.**
- Empowered military commanders with broad authority to take the fight to ISIS who has lost nearly all of its territory, more than half have been liberated since President Trump took office.
- **All sanctions that had been lifted or waived under the Iran deal have been reimposed.**
- Announced that the DOD will create a Space Force to serve as an independent branch of the US military.

Restoring US Leadership Abroad

- Held an historic summit with Chairman Kim Jong-Un to bring peace and denuclearization to the Korean Peninsula. **Because of the President's actions, North Korea has halted nuclear and missile tests.**
- Remains of US POW/MIA service members from the Korean War are being returned.

- Recognized Jerusalem as the capital of Israel and moved the US embassy there.
- Leadership in NATO encouraged members to increase their defense spending and realign the Alliance's priorities.
- Imposed tough sanctions on the corrupt regimes in Venezuela, Cuba, and Nicaragua.
- Imposed sanctions on more than 200 individuals and entities related to Russia's destabilizing activities.
- Secured the release of numerous US citizens held abroad.

Commitment to US Veterans

- Secured a record \$73.1 billion for the VA to provide quality medical care for our veterans including \$8.6 billion for mental health services, \$400 million for opioid abuse prevention, and \$206 million for suicide prevention.
- **Under Trump, the VA has removed, demoted, or suspended more than 4,300 employees for poor performance.**
- Created a new White House VA Hotline to provide veterans with 24/7 support.
- Signed the Forever GI Bill to provide veterans, service members, and their families enhanced education benefits.

Transforming Judiciary

- Reshaping our Federal judiciary by appointing judges who will follow the Constitution as written by appointing Circuit Court judges at a record pace.
- Appointed two outstanding Supreme Court justices: Justice Neil Gorsuch and Justice Brett Kavanaugh.
